Testimonials

“Terri was by far the best instructor I have ever had. She definitely knows her stuff but she is still down to earth and fun to be around. She makes me want to learn more and be the best esthetician I can be!” — **Jan M**

“I learned more in the one day class then I did in the 6 months of school. Very helpful and very knowledgeable. Everyone was very kind and upbeat. I never felt uncomfortable, great experience!” — **Megan R.**

“The True advanced esthetic training surpassed and exceeded my expectations in attending the class. I will encourage all estheticians to attend. I finally get it, the structure of the skin, the cells, conditions and treatments. It is exciting and gives me more self confidence. Thank you Terri and Dr. Dayan!” — **Jackie N.**

“Before I took this class I felt confident in my knowledge of skin care, once I got here I realized there is so much more to learn! I don’t want this class to be over, I want to learn more!” — **Cheryl R.**

“True University and Dr. Dayan’s office is like a well oiled machine. It is obvious how hard each and every person works here. Undoubtedly, education is very important as well as continuing education and staying in the for-front of technology. Could go on forever...thank you!” — **Tiffany S.**

“You can see the love everyone in the office has for their jobs; it makes for a very easy learning environment. Highly exceeded my expectations!” — **Kim G.**

“Everything about Terri and True University exceeded my expectations. This was the best possible thing I could have done for my career and my future.” — **Erin K.**

“I was very pleased with this course. It touched on many different aspects of medical esthetics. I look forward to applying my new skills.” — **Tracy L.**

“I loved the med-school True University. Everyone has been fab! What a team! Go True University!” — **Rachel A.**

Testimonials

“Just wanted to write a quick note and say thanks again for this education. I really appreciate the time, effort and passion behind your teaching and knowledge. This was great! Please thank Dr. Dayan too.”—**Bianca S**

“Thank you for the opportunity to meet and learn from you. With your knowledge and the golden opportunity that I had to view Dr Dayan at work, I am prepared to work in this career.” —**Missy W**

“The instructor was great—a fountain of Knowledge.” —**Diane L**

“I attended Advanced medical esthetics course at the end of July. It was such a pleasure to be there. You were so professional and knowledgeable. Thank you again for your time! At these courses I found out a lot of important information about medical esthetics and I strongly feel that I am ready to work in a medical field.” —**Geidre P**

“I had the most awesome experience coming to your class and Chicago. You are a great teacher and I learned so much. As you know I was so nervous to come to the class thinking I would not know enough. But with your teaching technique I was able to catch on or ask about it. I wish the class could have lasted longer. It was sad when it ended. I would love to come to more classes.” —**Patti H**

“Ms. Terri Wojak, esthetics director of True Skin Care, has been a positive influence to my career. I was fortunate to meet Ms. Wojak at medical esthetics class she teaches through True University. The class introduced me to medical skin care knowledge to possible job placement. I now am employed at a medical spa Ms. Wojak introduced me to. She is a very knowledgeable person to meet in the skin care industry and her professionalism and dedication is idolized. I appreciate everything Ms. Wojak has done for me and will continue to take her classes throughout my career. Thank you Ms. Wojak and True University!” —**Raquel B**

“This course was very educational. I learned more in two days than I did in 7 months of school.” —**Tracy P**

“I am a practicing esthetician and have been in the skincare industry for 4 years. Taking Miss Terri Wojak’s Medical Aesthetics class at True University really helped introduce me to the medical side of skin care. Terri was very knowledgeable, informative, and positive. The experience lead me in the direction of medical esthetics, Terri also helped with job placement which was a new sector to the field where I am able to utilize the medical side within the world of esthetics. Thank You.” —**Giota L**
